Important consideration when deciding to participate in Fish-Safe school lunch offerings:

Pomptonian's staff prepares and cooks a wide variety of meals and does not have separate equipment and space for fish-safe (FS) meal preparation. To minimize the chance for cross-contamination, the FS items that are available for pre-order, are prepared by trained staff with, as per the manufacturer's label, fish-safe ingredients.

*Cut at this line and keep the above menu portion for your reference.
Please submit lunch forms promptly. Late submissions may not be properly recorded.*
